# high pressure water drain & pipe cleaning

## ▶▶ IAN DICKIE MAXI JET

The Ian Dickie range of Mid Block Jets are highly effective for clearing pipes from 75mm - 400 mm with a choice of electric start, diesel or petrol engines.

The MAXI JET is a highly manoeuvrable and robust machine that effectively clears lines from 75mm - 160mm and is able to operate from a standard household water supply. It's list of features include: 80m lightweight sewer hose, high quality triplex plunger pump with reduction gearbox, fully adjustable pressure unloader valve, in-line filtration, hour meter and much more.

\*Clearing of 40mm and 50mm lines is achievable with our optional Drain Accessory Kit.

### ▶▶▶ Maxi Jet

#### ▶▶▶ Accessories:

We carry an extensive range of high quality retrojet, rotating and pulsating cutter nozzles to effectively clear roots, calcium build-up and concrete blockages.
